Chapter 1 by Feyre Archeron

I wake up, not knowing where I am. What's going on? Where am I? Why is there blood every where?

Chapter 2 by Joakim

My head is reeling. What happened to me? I was at a party last night but then I can't remember anything else...

Chapter 3 by Feyre Archeron

All I know is that I smell like liquor. My hair is a mess and I have no pants on.

Chapter 4 by SaintSayaka

I look down at my lower body, slightly embarrassed. I've never been quite comfortable in my skin, and this just gives me more of a reason to be more self conscious.

Chapter 3 by Feyre Archeron

I was shaking now. I don't know why but it felt cool in the room I was in. My eyes were more adjusted to the lighting in the room. I took a look around and realized that I was on a bed... Who's Bed was it? Where was I?

Chapter 6 by J

I was tied to the bed and I had heard someone was coming. I struggled to get free from the duct tape but it was no use. When the person had come inside they were holding a roll of duct tape, (new and ready to be used) and a blindfold. They walked to me slowly and took off the duct tape holding me slowly. Then took off my shirt. Then wrapped the tape around me and around my head. I started to muffle under the tape but then they said, "Quiet."

Then they wrapped a bit more tape around my head and whispered in my ear, "Shh." They put the blindfold on. I couldn't see. More of the tape was wrapped around my body. Then I heard him speak once more, "Shoot, out of tape."

Then he picked me up. I couldn't see. He was carrying me and put me in what I thought was the back of a car and closed what I thought was the trunk. Then we drove away. I was kidnapped, wrapped in tape head to toe, and blindfolded. What was going to do now? But then I thought, *Why?*
